Spring Edition

Greetings Members of Circle K,

I am sure many of you have heard the saying **April showers, bring May flowers**. This can be applied to Circle K on the club and district levels. On April 1st the new officers will take office. April is the shower because it is the time when the previous year's officers are helping train the new officers. April is, after all, the month when in the northern hemisphere buds begin to open and things start to grow again after the winter. The new officers are the buds. As they begin in their new office they will grow as a member of Circle K and as individuals.

Then, when May new officers will bloom into This is how the wonderful cycle

comes along the be ready to beautiful flowers! beautiful and repeats itself year

after year in Circle K International. Good Luck to the officers as begin there year of serving on the club and district levels!

Congratulations to the 2009-2010 club and district officers! I wish you all a great year!
