

Nebraska - Iowa Circle K District

Web Site

The primary purpose of the District Bulletin is to inform our membership of the many and varied activities of Circle K-ers in the Nebraska-Iowa District Circle K. The District Bulletin is to highlight successful project ideas performed by NE-IA Circle K clubs and encourage clubs to tap into ideas that have proven successful for other clubs. The District Bulletin cannot do this, though, without your help. The NE-IA CIRCLE K bulletin depends on NE-IA Circle K clubs to provide the information for it; therefore, your club should submit descriptions of service projects on a continual basis. You can submit information using the on-line form found below, or send information by postal mail to:

Angela Winnike
77 Williams Circle
Hills, IA 52235

When submitting article ideas, it's important to include clearly focused, quality photographs, slides, or transparencies that "show" your Circle K club in action. Plan in advance of your club's project to have a member bring a (digital) camera to document your active service on film - color or black-and-white. Then, take "action" photographs rather than posed, "lineup" shots. If you have photographs you wish to submit, please attach to an email – bulletineditor@nicirclek.org - or by mail to the above address.

Publication of your story cannot be guaranteed; projects that are well-documented and include photographs have the greatest chance of being published. Stories will be considered for their timeliness, worthiness and the availability of space. Articles may have to be held at the discretion of the bulletin editor until a later time due to space allocation and other factors.
